RESPONSE TO OFFICE ACTION / REVISED RESTRICTION REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Arlington, VA 22313-1450

Sir:

Responsive to the office action mailed September 30, 2004 containing a restriction requirement, the Applicant elects the Group I inventions, consisting of claims 46-68 and 93-117, *with traverse*, without prejudice to the filing of divisional applications directed to the non-elected inventions or such other action as may be appropriate to obtain a patent for that subject matter.

The traverse to the restriction requirement is maintained, for the reasons as set forth in the "Response to Office Action / Restriction Requirement" mailed July 15, 2004.

Please change the attorney docket number in this case to 4960-29720 and associate the case with Customer No. 24728.
